### Definitions

- New:** being processed and assigned to appropriate ESF
- Pending:** best ESF-assignment being determined
- Assigned:** EOP-based assignment of mission to ESF has occurred
- In-Progress:** Assigned ESF is taking action on mission
- Complete:** Support from the EOC has been provided and active support has ceased

Mission Request Type	New	Pending	Assigned	In Progress	Complete
Personal Protection Equipment		66	1		4
Request For Information			12	5	58
Sanitizing Materials			17	1	4
State EOC Liaison				5	1
Health Management Supplies			47	6	13
Hospital Assessments			6	1	
Other Missions		4	11	17	23

**\*\*Any future mission requests for PPE should reflect an outage of PPE that cannot otherwise be addressed or cross-leveled within the county or region.\*\***

Per ODH communication: "Due to the limited availability of PPE across the globe, the Ohio Department of Health leveraged the current CDC's Interim Updated Planning Guidance on Allocating and Targeting Pandemic Influenza Vaccine during an Influenza Pandemic to allocate scarce resources across Ohio. ODH adapted the guidance from Tier 1 by identifying the front-line occupations in the priority tier that require allocation of PPE. These occupational groups include:

- Hospitals
- Healthcare workers
- EMS/Local Fire Departments
- Local Law Enforcement
- Long Term Care Facilities

- Ohio Department of Rehabilitation and Correction

*Actions Taken:*

- Received notification that three employees tested positive at Marion Correctional Institution
  - all were related to the first contact and are already under quarantine.
- Continued to monitor the incarcerated adult population - able to identify if any spikes in flu like symptoms would arise at any institution.
- Continued to screen the staff upon entrance into an institution, thermometers were delivered to all sites and are in use each day and with everyone that enters, also check all offenders that are transferred to ODRC from the county jails and institutions.
- Monitored the activity in county jails, Community Based Correctional Facilities and Halfway Houses related to COVID-19.
- Ohio Penal Industries completed the gowns, and obtaining materials for masks and hand sanitizer.

*Planned Actions:*

- Continue to work towards incident objectives.

14 | Recovery & Mitigation

- Ohio Emergency Management Agency

*Actions Taken:*

- On March 31<sup>st</sup>, 2020, Ohio requested a statewide approval for non-congregate sheltering from FEMA Region V:
  - If approved, this would eliminate the need for each local government operating non-congregate sheltering to have to request their own approvals from FEMA.
  - If approved, the local governments that operate non-congregate sheltering to submit costs associated with that work under their applications to FEMA - important to note that this does not mean that all costs would be approved by FEMA.
  - Several new documents related to EM-3457-OH have been uploaded to the Ohio EMA Disaster Recovery Branch website.  
[https://ema.ohio.gov/Recovery\\_covid19.aspx](https://ema.ohio.gov/Recovery_covid19.aspx).

ESF-14 | Recovery & Mitigation (cont.)

*Planned Actions:*

- Ohio EMA is also coordinating with FEMA Region V and Ohio AIRS (statewide 211 providers) to enter into an MOU for statewide case management.
- Received approval from FEMA Region V that Ohio can accept legal responsibility, statewide, for costs associated with the statewide case management activities.

15 | Public Affairs

*Actions Taken:*

- News releases:
  - updated numbers of PPE
    - Ohio has received three shipments of SNS distribution.
- coronavirus.ohio.gov website updates:
  - Guidance on state employee work from home order
  - A Jobs Ohio announcement for Southeast Ohio.
  - Adding Nepali translations
  - EPA order added
  - School order added
  - Ventilator order added
  - BMV checklist updated
  - Homelessness documents updated
  - Ventilator inventory survey added

- The Med Surge Capacity Working Group continues to plan Alternate Care Site support and also supports the regional command teams.

### *Planned Actions:*

- Continue to develop the Regional Unified Command teams.
- Refine data, data collection and limitations for ACS development

- Ohio Homeland Security/OP3

### *Actions Taken:*

- The April OHS Classified Briefing has been cancelled.
- The Ohio School Safety Summit has been cancelled. The notice went out yesterday around 4:00PM. There were 895 registered attendees.
- HB 197 included a provision allowing the Superintendent to extend or waive deadlines for school emergency management tests. The OSSC is working with ODE on this language as currently it is not needed. The OSSC has not received questions regarding extensions since this requirement is not due until the end of the calendar year.
- Currently there are 6,883 Active EPCS Credentials.

### *Planned Actions:*

- Some security guards/private investigators are awaiting review of their BCI/FBI Rapsheets before their registrations can be approved. Administrative Officer will visit the office bi-weekly to review Rapsheets and ensure new/renewing registrants can be approved.
- Delay of workgroup meetings to continue development of State Homeland Security Strategic Plan, State Cybersecurity Strategy, and the 2020 THIRA/SPR. These plans are required to be updated under federal guidelines. While conference calls would be possible in other circumstances, COVID-19 response is heavily dependent on the participation of our state and local planning partners who are currently overwhelmed with State EOC duties and other limitations.

## State EOC Objectives

1. Coordinate the State's response to limit spread of COVID-19; and maintain medical care.
2. Provide timely, clear, and consistent messaging to the public, stakeholders and media on the status of COVID-19 and actions the public can take to keep themselves safe.
3. Determine how state agencies will continue delivery of essential services to Ohioans while following COVID-19 public health guidelines.
4. Identify supply bottlenecks that threaten community lifelines and tools the state can provide to improve the supply situation.
5. Determine what emergency authorities and programs are now available through the National Emergency and Public Health Emergency Declarations

## National Emergency Declaration for COVID-19

- On March 13, 2020, a federal emergency disaster was declared for the Public Assistance Program. This declaration is limited to costs incurred by state and local government and in very limited circumstances, non-profit organizations, for Category B, emergency protective measures.
- On March 19, 2020, U.S. Small Business Administration (SBA) has approved Ohio's request to allow small businesses and nonprofits in Ohio to apply for low-interest, long-term loans of up to \$2 million through the SBA's Economic Injury Disaster Loan program.
