State EOC Status: **Full Activation**

This report communicates State EOC activity over the previous Operational Period.

Dissemination: Daily, 8:00 AM

Information Cutoff Time: 12:00 AM

Executive Summary

ODH-confirmed COVID-19 cases, hospitalizations, and deaths continued to trend upward. According to ODH, 679 (+94) of the 2,547 (+348) confirmed cases are currently hospitalized.

Alternate Care Site location assessments are being conducted by County EMAs and healthcare regions in preparation to meet medical needs associated with projected hospitalization surge. Potential locations will be evaluated by the Joint Engineering Assessment Teams (led by Ohio National Guard) to determine final suitability.

Workgroups continue to plan for assessed medical surge, personal protective equipment, quarantine, and congregate care needs.

Any future mission requests for PPE should reflect an outage of PPE that cannot otherwise be addressed or cross-leveled within the county or region.

Per ODH communication: "Due to the limited availability of PPE across the globe, the Ohio Department of Health leveraged the current CDC's Interim Updated Planning Guidance on Allocating and Targeting Pandemic Influenza Vaccine during an Influenza Pandemic to allocate scarce resources across Ohio. ODH adapted the guidance from Tier 1 by identifying the front-line occupations in the priority tier that require allocation of PPE. These occupational groups include:

- Hospitals
- Healthcare workers
- EMS/Local Fire Departments
- Local Law Enforcement
- Long Term Care Facilities

Workgroup Participants Schedule	Most Recent Update

Homelessness
Ohio MHAS – Lead
Coalition of Homelessness and Housing in Ohio, Ohio Housing Finance Agency, Governor's Office, Ohio EMA, Department of Developmental Disabilities
 	
Weekly, touching base daily
	Purpose: To develop guidance and support for local communities as they support the distinct needs of these Ohioans and the staff at congregate care facilities.
	
	Update:
	• Housing and homelessness work has been expanded to include congregate living.
	• Have nearly finalized the quarantine and isolation shelter opportunities that are being developed.
	• Working closely with EOC, EMA, and ODH to ensure there is a clear path between congregate living programs and primary care for when someone needs to use a specialized site for quarantine and isolation.
	• Broad general capacity should also meet behavioral health needs of those in or not yet in recovery.
	• Connecting folks at local level with sites being developed to help ease the strain for small home operators.
	    • This guidance will include medical criteria in the pathway to not rely on emergency departments, from no symptoms to symptoms, helping residents to monitor their health and the housing environment.
	• **Next objective:** Participate in COVID-19 Webinar Series: Protocols for Addressing Sheltered and Unsheltered Homelessness. Thursday, April 2 - 3:30 pm ET
	    • Homeless system providers and health systems are developing local COVID-19 approaches for people experiencing homelessness that are consistent with emerging guidance from the CDC, and informed by the experience of people on the ground working hard to keep clients and staff as safe as possible.

State EOC Objectives

1. Coordinate the State's response to limit spread of COVID-19; and maintain medical care.

2. Provide timely, clear, and consistent messaging to the public, stakeholders and media on the status of COVID-19 and actions the public can take to keep themselves safe.

3. Determine how state agencies will continue delivery of essential services to Ohioans while following COVID-19 public health guidelines.

4. Identify supply bottlenecks that threaten community lifelines and tools the state can provide to improve the supply situation.

5. Determine what emergency authorities and programs are now available through the National Emergency and Public Health Emergency Declarations

Ohio COVID-19 Pandemic (DR-4507)

- Declared on March 31, 2020. Incident Period: January 20, 2020 and continuing

- Public Assistance (Assistance to State, Local, Tribal and Territorial governments and certain private-non-profit organizations for emergency work and the repair or replacement of disaster-damaged facilities) has been designated for all 88 counties.
