## State EOC Objectives

1. Coordinate the State's response to limit spread of COVID-19; and maintain medical care.
2. Provide timely, clear, and consistent messaging to the public, stakeholders and media on the status of COVID-19 and actions the public can take to keep themselves safe.
3. Determine how state agencies will continue delivery of essential services to Ohioans while following COVID-19 public health guidelines.
4. Identify supply bottlenecks that threaten community lifelines and tools the state can provide to improve the supply situation.
5. Determine what emergency authorities and programs are now available through the National Emergency and Public Health Emergency Declarations
6. Purchase 1,000,000 sets of PPE weekly until the surge occurs
