State EOC Status: **Full Activation**

This report communicates State EOC activity over the previous Operational Period.

Dissemination: Daily, 8:00 AM

Information Cutoff Time: 12:00 AM

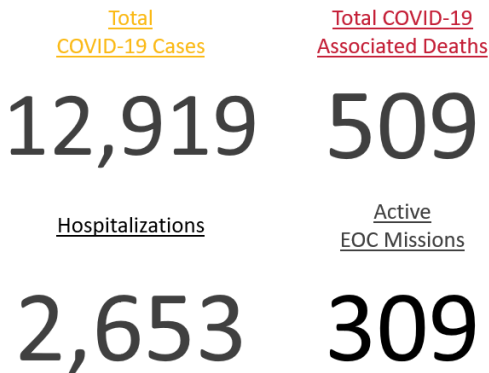

### Executive Summary

Over the past 24 hours, total cases (+1,317), ICU admissions (+33), hospitalizations (+88), and total deaths (+38) were all above the five-day average. 2,653 of the 12,919 total cases have been hospitalized.

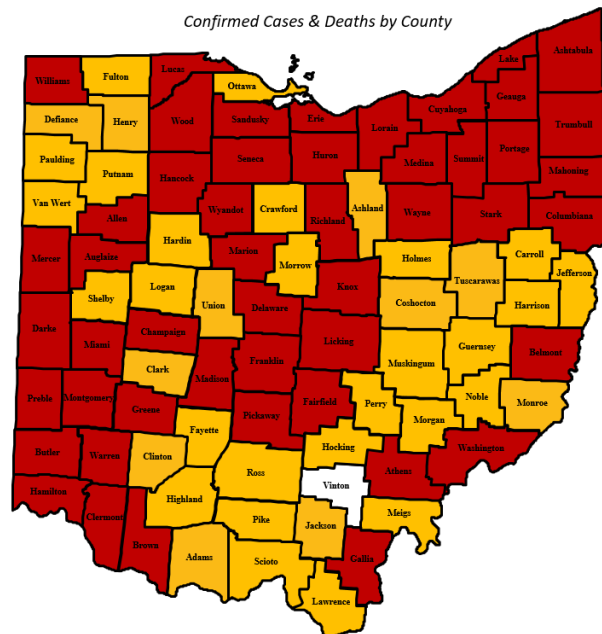

The State EOC continued to identify, monitor, and respond to COVID-19 hot spots, with a strong focus on Long Term Care facilities and incarcerated populations. State-acquired PPE was distributed to five counties in which COVID-19 hotspots have been identified. Solutions to ODRC staffing impacts are being planned and addressed by EOC Emergency Support Functions.

FEMA continues to respond to one outstanding request made by the State of Ohio for PPE.
