

State Community Lifeline Status

In-state Response | Ongoing External Support | Assistance Needed

Primary Lifeline: Health & Medical
<ul style="list-style-type: none"> Total confirmed cases, deaths, and hospitalizations continue to increase. A request for federal assistance in obtaining testing kits is awaiting FEMA approval. Statewide bed and ventilator capacity are projected to meet 30-day medical forecast needs. Forecast PPE needs for medical, first responders, and behavioral health needs continue to drive state procurement efforts. One request for federal assistance is currently In Progress One local Alternate Care Site (State-supported) is operational in Columbus for Med Surge needs. An Attentive Care site has been established in Columbus to address Mass Fatality needs. Response & planning continues to support needs of critical populations. Mass Fatality, Medical Surge, and Personal Protective Equipment workgroups continue efforts. Nine requests for Federal assistance have been submitted and addressed. Ohio National Guard members on Title 32 Orders are supporting stabilization of the lifeline.
Communications
<ul style="list-style-type: none"> No current impacts to statewide communications.
Energy
<ul style="list-style-type: none"> No current impacts to statewide utilities.
Food, Water, Sheltering
<ul style="list-style-type: none"> Food continues to be available per current Public Health Order <ul style="list-style-type: none"> Restaurants are restricted to carry-out and delivery only. Limited access to nursing homes & similar facilities continues. Non-congregate sheltering planning and response continues. Homelessness and Quarantine workgroups continue to update plans for response.
Hazardous Materials
<ul style="list-style-type: none"> No current impacts to statewide communications.
Safety & Security
<ul style="list-style-type: none"> First Responders have access to information on who has tested positive for COVID-19 Limited access to jails & detention facilities continues. ODRC staff and incarcerated populations have tested positive in 22 facilities. 331 ODRC staff members and 3,762 inmates have tested positive. DYS reports first youth positive case at Cuyahoga Hills Juvenile Detention Facility.
Transportation
<ul style="list-style-type: none"> No current impacts to statewide transportation network. Transportation workgroup continues to plan against potential needs.

State EOC Objectives

1. Prevent, identify, mitigate and respond to COVID-19 hot spots.
2. Coordinate the State's response to limit spread of COVID-19 and maintain medical care.
3. Provide timely, clear, and consistent messaging to the public, stakeholders and media on the status of COVID-19 and actions the public can take to keep themselves safe.
4. Determine how state agencies will continue delivery of essential services to Ohioans while following COVID-19 public health guidelines.
5. Purchase 1,000,000 sets of PPE weekly until the surge occurs.
6. Identify supply bottlenecks that threaten community lifelines and tools the state can provide to improve the supply situation.
7. Determine what emergency authorities and programs are now available through the National Emergency and Public Health Emergency declarations.

State EOC Mission Overview

Definitions

- New:** being processed and assigned to appropriate ESF
- Pending:** best ESF-assignment being determined
- Assigned:** EOP-based assignment of mission to ESF has occurred
- In-Progress:** Assigned ESF is taking action on mission
- Complete:** Support from the EOC has been provided and active support has ceased

Status of Direct Federal Assistance

Request	Submitted	Status
Disaster Mortuary Response Team	April 3, 2020	FEMA approved - virtual
Federal Medical Station	March 26, 2020	FEMA unable to provide
Human Remains Pouches	March 26, 2020	FEMA approved
HHS ASPR Liaison Officer (Virtual)	March 26, 2020	FEMA approved
Ohio National Guard Title 32 orders	March 31, 2020	FEMA approved
USACE Facility Assessments	March 29, 2020	FEMA approved
ACF Design Engineer Build	April 6, 2020	State declined
PPE For Statewide Distribution	April 16, 2020	In Progress
PPE for ONG Title 32 Missions (3 Week Supply)	April 16, 2020	FEMA approved
Specimen Collection Kits	April 22, 2020	Submitted

State Response Site Status

State-supported sites intended to support local response efforts have been identified by State EOC workgroups working with County EMA and Regional Healthcare partners.

Med Surge Alternate Care Site Status			
Facility	County	Capacity	Status
1. Columbus Convention Center	Franklin	1,000	Operational
2. Case Health Ed. Campus	Cuyahoga	327	Selected
3. Duke Energy Convention Center	Hamilton	144	Selected

Mass Fatality Attentive Care Site Status			
Facility	County	Capacity	Status
1. State Expo Center	Franklin	1,000	Operational
2. Dayton Expo Center	Montgomery	1,000	Selected

State EOC Actions by Emergency Support Function

1 | Transportation

- Ohio Department of Transportation
 - Lead Agency for Transportation Workgroup
 - Purpose: To discuss and implement mass transit and mobility needs.

Actions Taken:

- Scheduled ODOT support for pickup of PPE at the ODH RSS warehouse to five sites in Walnut Creek, Canton, Napoleon, and Jackson (2).
- ODOT is providing four message boards to the Cleveland Food Bank.

Planned Actions:

- Follow up on a request for information from Lucas County on providing transport for COVID-19 positive and COVID-19 suspected patients to dialysis appointments.

2 | Communications

- Ohio Emergency Management Agency

Actions Taken:

- Participated in FEMA Region V ESF-2 Coordination Conference Call.

Planned Actions:

- Support response as needed.

3 | Engineering/Public Works

- Ohio Department of Natural Resources

Actions Taken:

- No new missions assigned.

Planned Actions:

- Researching request for information on construction workers for the Mass Fatality Working Group and communicate results to them.

- Ohio Environmental Protection Agency

Actions Taken:

- Submitted one request for information that has been assigned as a mission to ESF-7
 - Ohio EPA has been advised that FEMA has identified a manufacturer that will provide cloth (t-shirt-like material) masks for essential employees at critical infrastructure facilities.

- FEMA will be providing additional information on this subject.
- Eight of the 16 sectors have been prioritized, including water and chemical sectors.

Planned Actions:

- Work with Ohio EMA to facilitate the distribution in accordance with National Response Framework guidance.
- Monitor SEOC operations and provide support as needed.

4 | Firefighting

- State Fire Marshal

Actions Taken:

- Completed a mission request for assessing a possible quarantine site for ODRC.
- Collaborated with the Ohio Division of EMS regarding possible EMS needs for ODRC sites.
- OFCA had an internal COVID-19 Committee call.

Planned Actions:

- Provide assistance to ESF-8 through the Fatality Manager Incident Commander.
- Collaborate on potential EMS needs from ODRC.

5 | Information & Planning

- Statewide Overview of County EMA Response
 - Medical transport, alternate care site & mass fatality planning continue.
 - PPE conservation, acquisition, & distribution efforts continue.
 - Long-term recovery planning is occurring.

- State EOC Liaisons

Actions Taken:

- Provided liaison between ODRC & State EOC.
 - Coordinated mission requests with ODRC and ONG staff that are located on-site at ODRC's Operation Support Center.
 - Discussed potential future mission requests with ODRC and ONG staff that are located on-site at ODRC's Operation Support Center.
 - Participated in conference calls with local, state, and SEOC partners, including the daily Regional Update Briefing with General Harris and Regional Unified Command/Coordination Team partners, as well as Zone 2 partners.
 - Supplies (e.g., key rings) being provided by the ODRC for ONG personnel will be dropped off at the Corrections Training Academy on April 23, 2020.

- Worked with OHNG Unified Regional Commands to support County EMA planning and response efforts.
- Supported County EMA efforts virtually.

Planned Actions:

- Support County EOCs and continue working with state agency partners as necessary (via deployment or virtual means).

- GIS

Actions Taken:

- Updated and revised COVID-19 in prison map and dashboard with percent inmates impacted; updated inmate count.
- Supported new additions to fire/EMS survey, updated map, provided submission summary to ESF-4.
- Continue to support OGRIP and OHANG as needed.

Planned Actions:

- Update COVID-19 in prisons products and quarantine locations.
- Support OGRIP and OHANG.
- Maintain fire/EMS needs survey and dashboard.

6 | Mass Care

- Ohio Emergency Management Agency

Actions Taken:

- Missions:
 - Closed request for information mission from ODH to ODJFS for unemployment data.
- Daily efforts:
 - Coordinated food and quarantine actions.
 - Briefed out on County Call with guidance for locals to address labor needs and distributed materials to various city and county management and administration associations.

Planned Actions:

- Track information down and coordinate requests with various partners.
- Attend the Agriculture Work Group call.

7 | Logistics

- Ohio Emergency Management Agency

Actions Taken:

- RRF update:
 - 1.28M gloves that were expected on April 22 still have not arrived.
 - 200K gloves are due April 23.
 - No update to ONG title 32 PPE request.
 - Submitted one new RRF on April 22 for 25,000 specimen collection kits.
- Mission update:
 - 158 total missions | 27 active | 2 pending
 - Completed one & received three new missions.
- DAS continued sourcing and vetting PPE for possible purchase.
- Participated in the PPE conference call.
 - 2,000,000 N95s are supposed to come in this week
- Worked with Techknowvate to update the survey.
- Worked with ODH warehouse on deliveries.
- Worked with vendor to set payment terms on their quote.
- Developed a spreadsheet for Techknowvate with a listing of all vendors, purchase orders and delivery dates of all items.

Planned Actions:

- Track inbound shipments against outstanding federal resource requests.
- Answer mission requests.
- Research PPE and discuss strategy on purchases with DAS to use our money wisely.
- Work with Techknowvate on the survey and work with ODH warehouse on deliveries.
- Participate in the PPE conference call.

- Ohio National Guard

Actions Taken:

- Participated in the PPE Working Group with representatives from ESF 1, 7, and 8 as a planning mechanism for any future initiatives concerning PPE.
- Two donations arrived at the PPE Warehouse, bringing the total to 159 individuals or companies providing PPE donations.

Planned Actions:

- Monitor and address any additional PPE donations.

8 | Public Health

- Ohio Department of Health
 - Lead Agency for PPE Workgroup
 - Purpose: To determine and allocate appropriate PPE for COVID-19 responders.
 - Lead Agency for Mass Fatality Workgroup
 - Purpose: To assemble stakeholders within mass fatality/fatality management to develop statewide strategies & unified effort in the management of decedents.
 - Lead Agency for Medical Surge Workgroup
 - Purpose: Planning for needs to address forecast Medical Surge needs.

Status Update:

- Zone 1 (Northwest, Northeast, Northeast Central)
 - Local and regional partners are continuing to monitor and respond to outbreaks in congregate care settings such as prisons and long-term care facilities.
 - Many hospitals are working with long-term care facilities to assist with staffing and resource shortages. Hospitals are continuing to communicate regularly with local partners such as local public health, emergency management, and long-term care facilities.
 - Gathering local health department primary POC information to share with hospitals in their jurisdiction for support of congregate initiative. Sorting nursing home and congregate settings across the region to see which hospitals support them routinely.
 - Supported Zone 1 leadership call with ODH.
 - Supported call with CareSource to see how they could support nursing home outreach in the region.
 - St. Elizabeth Youngstown Hospital is reporting 48 confirmed COVID patients, which is the largest count in the region today.
- Zone 2 (Central, Southeast, Southeast Central)
 - COTS shared registration information for hospitals with triage, treatment or testing tents to apply for site specific weather alerts at no cost from AccuWeather.
 - OSUMC continues to have the largest surge of COVID positive patients with that population being inmates from the State prisons. Many hospitals have volunteered to assist OSU with taking COVID patients and inmates if needed to assist with their surge.
 - COTS facilitated a Zone 2 CEO call today with the discussion of Surge Transfer center operations and returning to normal hospital operations. OSU will be training ONG EMTs to conduct swabbing at prisons.
 - COTS is working to tweak the UH playbook for coalitions and COVID.

- RHC participated on Zone 2 call with all hospital CEOs. Conversations regarding with returning to normal and prison surge.
- Hospitals in areas with major prison systems are making plans to deal with prison surge should the state hospital OSU continue to be overwhelmed with inmates.
- Zone 3 (West Central, Southwest)
 - Virtual Healthcare Coalition meeting with Infection Control and LHD Epi's. LHD Epi's gave an overview of outbreak in their respective counties. Hospital Infection Control reported on items specific to their hospital. Discussions included who is tracking employee Covid-19 positive cases, steps they are taking to begin recovery and return of some elective surgeries. Several shared length of time they are waiting between patients to allow for adequate air changes in surgical suites and isolation rooms. David Gerstner requested the Infection Control team discuss the amended EMS bulletin which references the notification of EMS when a patient is positive. The team will share with others at their facility and come prepared at next meeting to discuss regional approval.
 - Participated in the COVID -19 task force virtual tour and discussion of both KHN and PH command centers (bed and resource management). Will be working on a plan to assist hospitals to utilize these centers.
 - Gather and report data as requested for the Ohio Department of Health.
 - Task force determined SW region will begin updating bed availability on SurgeNet every 4 hours beginning 4/4/20.
 - Assisting with Surge Net access requests from hospitals, rehab facilities, transportation workgroup and EMS when requested.
 - Continued to refine number of additional med/surg and critical care beds in hospitals. Will use this information to determine when thresholds are met to move to next level of surge.
 - Task Force/Steering Committee Update.
 - Task Force meetings reduced to M/W/F until daily meetings are necessary.
 - Reviewed occupancy data for four core health systems.
 - Reviewed testing survey results. Identified some limitations like test cartridges, reagent and nasopharyngeal swabs.
 - SNF Workgroup update-looking for representation from hospitals, congregate care facilities and public health for build out of the HCIC plan in Zone 3.
 - Additional operational workgroups: Data, Supply Chain, PIO, SNF, Outlying/Specialty Hospitals, Vulnerable Populations, Transportation, Clinical Protocols, ACS (Duke and Liberty), Psychiatry, Crisis Standards of Care.

- The Health Collaborative is leveraging staff resources for project management and support of work groups.

Actions Taken:

- All Zone calls occurred, and ODH will continue to coordinate and collaborate.
- Currently, the RSS warehouse is pulling emergency PPE orders for four requesting counties: Holmes, Stark, Henry and Jackson.
- ODH also conducted a call with FEMA, HHS, and OSU about Tableau Hemodialysis machine availability.
- ODH initiated an RRF with Ohio EMA for specimen collection kits.
- ODH continues to monitor Statewide Hospital Resource Utilization Statistics including hospital bed availability.
- Mass Fatality Workgroup discussed the guidance distribution from the previous day to identify any questions stakeholders may have.
 - Planning continues with the biggest objective being delivery of refrigerated trucks to local jurisdictions.

Planned Actions:

- Collaborate on daily RFIs and planning efforts with federal and state stakeholders and ESF-8 partners to provide guidance and direct information.
- Mass Fatality workgroup will collaborate to address stakeholder questions and ensure a well-developed fatality management strategy for the state of Ohio.

- Ohio Department of Developmental Disabilities

Actions Taken:

- Provided long-term services, pre-surge planning toolkit guidance and information on departmental website for community and congregate care settings.

Planned Actions:

- Monitor DODD system statistics including positive, pending, and negative cases of COVID-19 for staff and residents.
- Track daily inventory and usage of PPE for the Developmental Centers.
- Push information and guidance out to DODD system partners via departmental website and through targeted communications.

- Ohio Department of Mental Health and Addiction Services
 - Lead Agency: Homelessness
 - Purpose: Strategically address and respond to the needs of Ohio's families, youth, & adults experiencing homelessness or at imminent risk of homelessness.

Actions Taken:

- Notified community partners of SAMHSA's COVID-19 webinar series on the impacts of COVID -19 on substance use and addiction services and disparities affecting African American and underserved populations.
 - Webinar is scheduled beginning April 22 - May 12th.
- Housing groups continue to work on issues of homelessness and integration of support services through various community partner agencies.

Planned Actions:

- Provide support and leadership to the following workgroups: Housing and Homelessness, Transportation, Quarantine, and Isolation Medical Surge and Workforce.
- Meet with Counselor and Social Worker Board Executive Director to discuss roles of counselors and social workers in supporting hospital workforce surge needs created by COVID-19.
- Work with DSA to get a list of homeless shelters throughout Ohio. DSA funds a portion of the 300+.
 - They are providing a list and will breakdown to indicate those that serve men.
- Address the disparity in COVID -19 impacts to the African American community.
 - OhioMHAS is participating as a member of the Governor's Minority Strike Force Team.
 - The team's next meeting is April 23rd.

- Ohio Department of Education

Planned Actions:

- Develop new and update existing information and policy documents for schools regarding services to students during closures.

- Ohio Emergency Medical Services

Actions Taken:

- Participated in the daily conference call regarding PPE procurement and distribution.
- Was notified that the ODRC contract for ambulance services was finalized with MedCare ambulance for Pickaway Correctional Institution.
- Worked with ESF-1 on providing Lucas County EMA with guidance on transporting individuals to dialysis treatments that are positive for COVID-19.
 - Contacted the mobility manager in Lucas County who indicated a local taxi company is going to designate vehicles just for COVID -19 transports; still working on confirming this.

Planned Actions:

- Determine other ODRC hot spots and plan ahead for transportation needs.
- Work with ESF-1 on providing Lucas County EMA with guidance on transporting individuals to dialysis that are positive for COVID-19.
- Monitor the needs of EMS providers and first responders in the state.

9| Search & Rescue

- Ohio Department of Natural Resources

Planned Actions:

- Support response as a need is identified.

10| Hazardous Materials

- Ohio Environmental Protection Agency

Planned Actions:

- Support response as a need is identified.

11 | Agriculture

- Ohio Department of Agriculture

- Lead Agency for Agriculture Workgroup
 - Purpose: To identify agricultural issues of concern elevated due to COVID-19 and solutions to address concerns.

Actions Taken:

- Outreach with key stakeholders for feedback and prep for next meeting.

Planned Actions:

- Agriculture lab work, animal disease surveillance and inspections to support commerce and ensure public health continue.
- Updating needs assessment with stakeholders
- Continued outreach with work group participants

12 | Public Utilities

- Public Utilities Commission of Ohio

Planned Actions:

- Support response as a need is identified.

13 | Law Enforcement

- Ohio State Highway Patrol

Actions Taken:

- Warren District Criminal Patrol Units conducted an outside premise check of the Covington Skilled Nursing and Rehabilitation Center.
- District 6 units and SRT are assisting with perimeter security at Pickaway Correctional Institution.
- Teachers and local law enforcement from the Cardington area paraded through town to show their support for students in the area.
- Conducted Site Security for Ohio Department of Health.
- Marion Post and SRT are assisting with perimeter security at Marion Correctional Institution.
- Assisted with loading food into vehicles at the Madison Food Center in Ashtabula County.
- Continued spot checks of heavy hauler permits.

Planned Actions:

- Units from the Wilmington Post will be assisting the Highland County EMA and the Highland County Sheriff's Office with traffic control during food delivery for the Greater Life Assembly Church Food Bank.
- Conduct spot checks of heavy hauler permits.
- Cleveland District OIU agents and post units will assist the Sandusky County OhGo with handing out boxed meals.
- District 6 units and SRT are assisting with perimeter security at Pickaway Correctional Institution.
- Cleveland District units from LCS, OIS, and the Cleveland Metro Post will be assisting with the intake and check-in process for food drop off at the Greater Cleveland Food Bank.

- Conduct Site Security for Ohio Department of Health.
- Marion Post and SRT will assist with perimeter security at Marion Correctional Institution.

- Ohio Department of Rehabilitation and Correction
 - Actions Taken:*
 - ODRC has staff or incarcerated adults COVID-19 positive in 22 different institutions.
 - ODRC has 331 staff who are COVID-19 positive, with hot spots at Marion Correctional Institution, Pickaway Correctional Institution and Franklin Medical Center.
 - ODRC has 3,782 incarcerated adults who are COVID-19 positive, with hot spots at Marion Correctional Institution, Pickaway Correctional Institution and Franklin Medical Center.
 - ODRC currently has joint missions with the Ohio Highway State Patrol and the Ohio National Guard.

 - Planned Actions:*
 - Work towards incident objectives.

15 | Public Affairs

Actions Taken:

- Long-term care facilities list on dashboard.
- Long-term care facilities media questions.
- Testing capacity graphic.
- Specimen collection kits document review.

Planned Actions:

- Testing/tracing documents.
- Press conference slides/talking points.

Other Partners

- Ohio Homeland Security

Actions Taken:

- EPCS:
 - Currently there are 10,246 Active EPCS Credentials.
- OP3:
 - OP3 has a total of 1,901 members representing a total of 1,512 businesses.
 - Two notifications were sent to OP3 and ILO partners: COVID-19 update media release from the Governor's Office & FBI Fraud alert for N95 masks.

- OP3 spoke with DHS regarding a FEMA mask initiative for select critical infrastructure sectors.
 - Awaiting details and guidance from FEMA.
- OP3 was contacted by a representative from Walmart regarding upcoming COVID-19 testing in the Toledo-area.
- OHS Cyber:
 - OHS Cyber analysts have been identified as personnel to assist ODRC with COVID-19 tracing.
 - Analysts have completed the required training.
