State EOC Status: **Full Activation**

This report communicates State EOC activity over the previous Operational Period.

Dissemination: Daily, 8:00 AM

Information Cutoff Time: 12:00 AM

Executive Summary

Over the past 24 hours, ODH reported 529 (33,006) total new cases, 68 (5,579) hospitalizations, 7 (1,450) ICU Admissions, and 15 (2,002) deaths. All reported metrics were below their respective 21-day averages.

One additional potential hot spot was identified by ODH during the period's Clinical Zone calls; a Butler County outbreak has been linked to off-campus gatherings at Miami University of Oxford. The State EOC continues to provide mission support to five previously identified areas of concern.

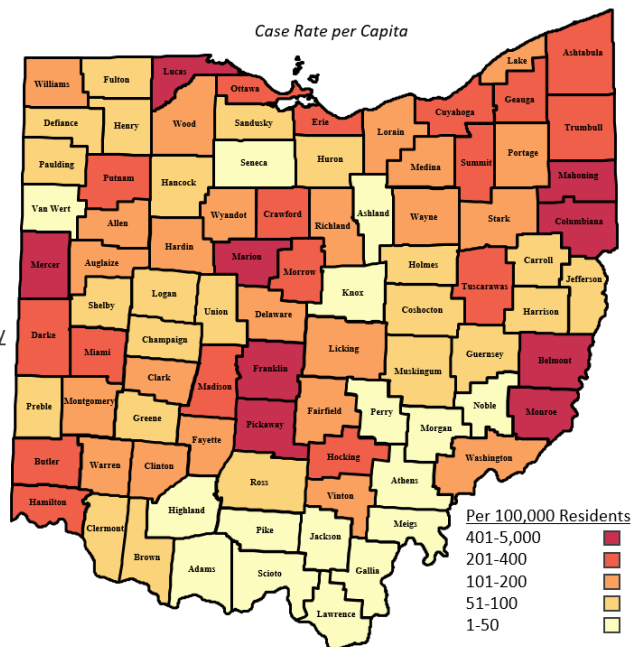

The first half of this week's statewide PPE push was completed. The second half is scheduled for May 27th. Use of the Ohio National Guard donation warehouse has been extended through June 5. A storage strategy continues to be developed as current warehouse capacity is near full.
