- [Global Pandemic Notice](#)

World Health Organization Update:

Highlights

Two new Member States (Comoros and Tajikistan) reported cases of COVID-19 in the past 24 hours.

The **third meeting of the Emergency Committee** was convened by the WHO Director-General under the International Health Regulations (2005) (IHR) regarding COVID-19.

The WHO Regional Director for Europe, Dr. Hans Henri P. Kluge mentioned that **“we will defeat COVID-19 by disseminating knowledge in all transparency, by personalized support in the field and by unfailing solidarity”**. In another statement, he emphasized that **“we cannot allow the impact of COVID-19 to be amplified by neglecting other vital health protection measures”**.

The WHO Regional Office for the Americas urged health authorities to **take specific steps to protect health care workers and communities during essential immunization activities** throughout the COVID-19 pandemic.

WHO **virtually convened vaccine manufacturers and national regulatory authorities from its South-East Asia Region** to discuss COVID-19 vaccines.

In the **Subject in Focus** below, we describe WHO’s work to ensure that shipping and seafarers can continue to deliver vital goods, including medical supplies and food during the COVID-19 pandemic

COVID-19 Situation Report

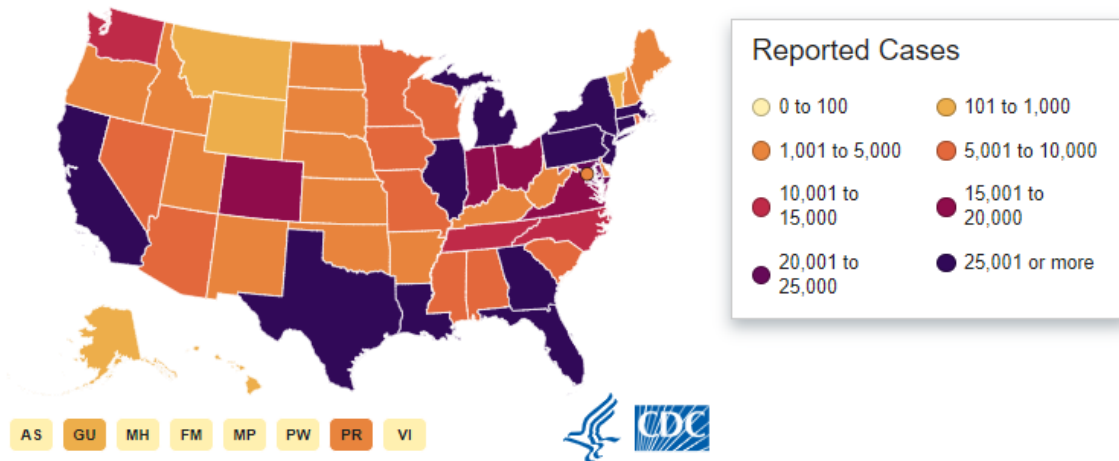

Coronavirus

Cases & Deaths by State

This map shows COVID-19 cases and deaths reported by U.S. states, the District of Columbia, and other U.S.-affiliated jurisdictions. Each [jurisdiction's health department](#) reports how much the virus has spread in their community.

20 states report more than 10,000 cases of COVID-19.

New Cases by Day

The following chart shows the number of new cases of COVID-19 reported by day in the U.S. since the beginning of the outbreak.

COVID-19 Situation Report

Coronavirus

Current Objectives:

1. Limit the spread of disease within Montgomery County.
2. Continue to monitor the situation in conjunction with the Ohio Department of Health and the Centers for Disease Control and Prevention.
3. Continue information sharing with partners.
4. Continue to provide information to the media and the public through interviews, social media and our website.

Long-term Planning Considerations:

Continued monitoring and maintaining surveillance locally.

Epidemiology Syndromic Surveillance Summary:

Below are links to both the CDC and WHO regarding the latest information.
