Real-Time Resources (Use Google Chrome)

State EOC Status: **Full Activation**

This report communicates State EOC activity over the previous Operational Period.

Dissemination: Daily, 8:00 AM

Information Cutoff Time: 12:00 AM

### Executive Summary

Over the past 24 hours, ODH reported 442 (36,792) total new cases, 75 (6,251) hospitalizations, and 21 (1,604) ICU Admissions, all of which were below their respective 21-day averages. There were 41 (2,299) deaths, which was above the respective 21-day average.

ODH reported an additional hot spot identified in a Mercer County-based congregare care facility. Interfacility staffing may be the cause as the management company has been recognized as the same team managing a previously identified hot spot in Mercer County. The State EOC continues to provide mission support to previously identified areas of concern.

A request to extend Title 32 orders for Ohio National Guard members is in progress.

The second statewide push of PPE was completed. An additional push has been approved for next week. State PPE stores continue to be transferred to a secondary location per the current storage strategy while long-term storage planning continues.

### Key Indicators

- COVID-19 numbers provided by ODH daily at 2:00 PM
- Hospital numbers provided by OHA daily at 8:30 AM
