State EOC Status: **Full Activation**

This report communicates State EOC activity over the previous Operational Period.

Dissemination: Daily, 8:00 AM

Information Cutoff Time: 12:00 AM

Executive Summary

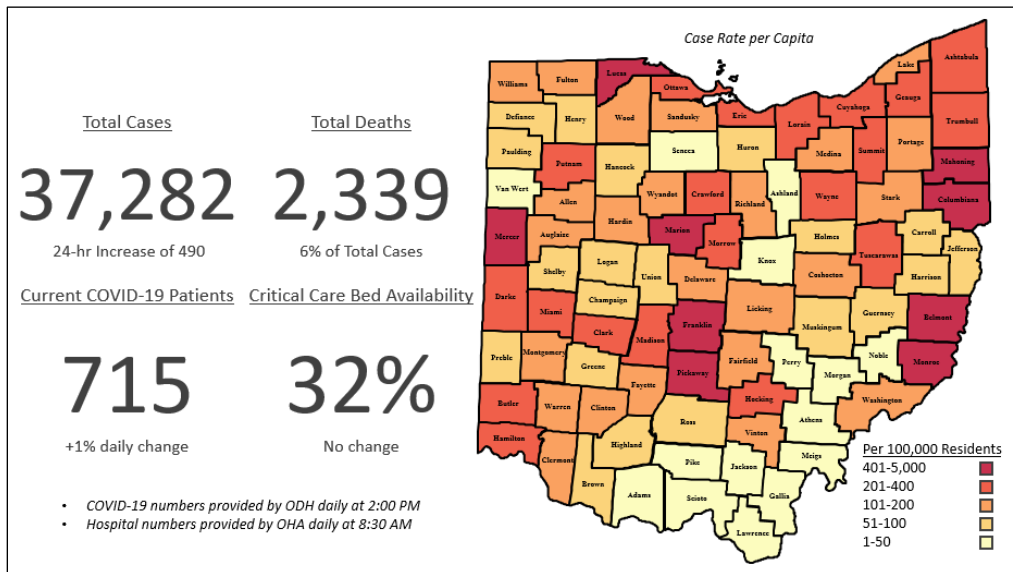

Over the past 24 hours, ODH reported 490 (37,282) total new cases and 61 (6,312) hospitalization, which were below their 21-day average. 19 (1,623) ICU Admissions and 40 (2,339) deaths, were above the respective 21-day average.

ODH reported an additional hot spot identified in a Mercer County-based congregate care facility. Interfacility staffing may be the cause as the management company has been recognized as the same team managing a previously identified hot spot in Mercer County. The State EOC continues to provide mission support to previously identified areas of concern.

An extension of Title 32 orders for Ohio National Guard is in progress.

The second statewide push of PPE was completed. An additional push has been approved for next week. State PPE stores continue to be transferred to a secondary location per the current storage strategy while long-term storage planning continues.
