

# State of Ohio EOC SITUATION REPORT

## COVID-19 Response

Sima S. Merick, Executive Director

June 23, 2020

Real-Time Resources (Use Google Chrome)

State EOC Status: **Full Activation**

This report communicates State EOC activity over the previous Operational Period.

Dissemination: Daily, 8:00 AM

Information Cutoff Time: 12:00 AM

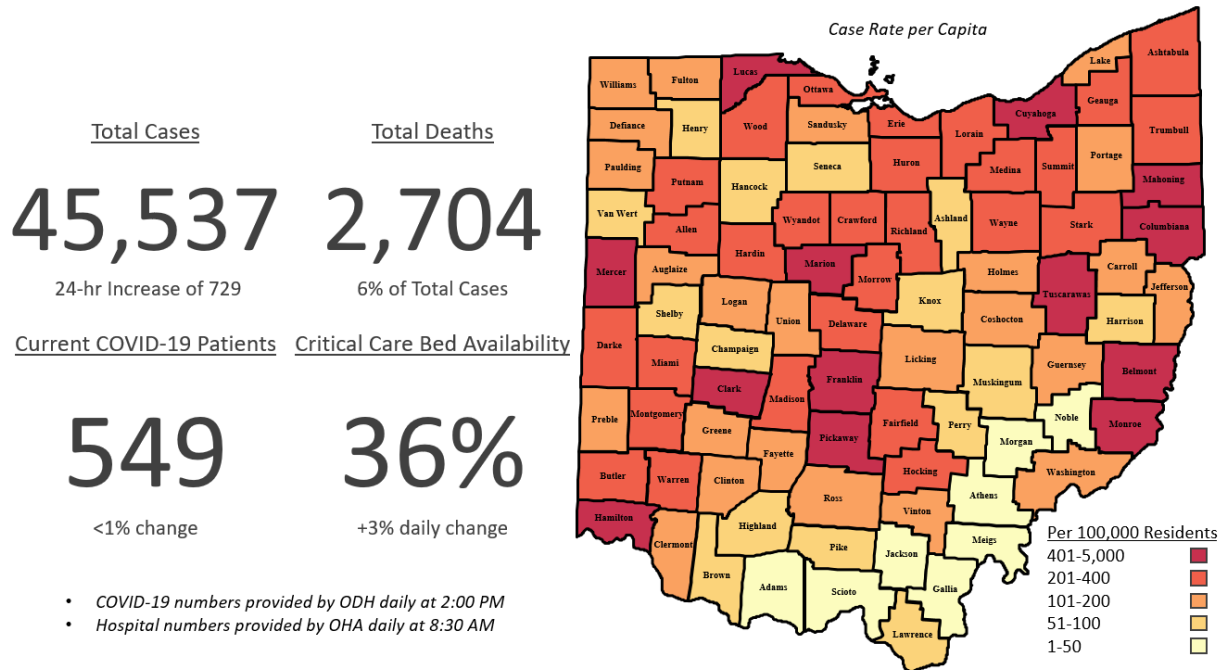

### Executive Summary

Over the past 24 hours, ODH reported 729 (45,537) total new cases, which is above the 21-day average. Four (2,704) deaths, 50 (7,292) hospitalizations, and eight (1,852) ICU Admissions were reported. Deaths, hospitalizations, and ICU Admissions were below their respective 21-day averages.

In the last 24-hours, one new hotspot has been identified by the Ohio Department of Health. A Warren County-based church is working with the local health department on contact tracing. ODH continues to monitor seven previously identified hot spots.

The EOC executed a statewide push of PPE. State stockpiling and storage strategies continue to be developed through ESF-7 and the State EOC Unified Command

### Key Indicators

Additional metrics can be found at [coronavirus.ohio.gov](https://coronavirus.ohio.gov)

## State Community Lifeline Status

In-state Response | Ongoing External Support | Assistance Needed

### Primary Lifeline

- Total confirmed cases, deaths, and hospitalizations continue to increase.
- Statewide bed and ventilator capacity are projected to meet medical forecast needs.
- Forecast PPE needs continue to drive state procurement efforts.
- Limited access to nursing homes & similar facilities continues.
- Personal Protective Equipment, Mass Fatality, and Medical Surge workgroups continue efforts.
- 13 requests for Federal assistance have been submitted and addressed.

- The Agriculture workgroup continues to monitor for issues of concern.
- All major pork processing plants impacting Ohio's processing are operating (statewide & nationally).
- Pork depopulation planning continues on account of processing interruption.
- Restaurants are open per the ODH Dine Safe Ohio Order (current as of May 21)
- Non-congregate sheltering planning and response continues.
- [Potential quarantine locations](#) have been identified.
- Homelessness workgroup continues to update plans for response.

- First Responders have access to information on who has tested positive for COVID-19.
- Limited access to jails & detention facilities continues.
- ODRC staff and incarcerated populations continue to test positive across their statewide facilities.

- No current impacts to the lifeline requiring EOC support.

- No current impacts to the lifeline requiring EOC support.

- No current impacts to the lifeline requiring EOC support.

- No current impacts to the lifeline requiring EOC support.

## State EOC Objectives

1. Coordinate the State’s response to limit COVID-19 spread and maintain Lifeline stability.
2. Provide mission support to identify, prevent, mitigate and respond to COVID-19 hot spots.
3. Develop PPE procurement, warehousing, and allotment strategies to meet current and projected needs.
4. Share timely, clear, and consistent information to the whole community, especially as it pertains to recovery programs.

## State EOC Mission Overview

### Definitions

- New:** being processed and assigned to appropriate ESF
- Pending:** best ESF-assignment being determined
- Assigned:** EOP-based assignment of mission to ESF has occurred
- In-Progress:** Assigned ESF is taking action on mission
- Complete:** Support from the EOC has been provided and active support has ceased

## State EOC Actions by Emergency Support Function

### 3 | Engineering/Public Works

- Ohio Department of Natural Resources  
*Planned Actions:*
  - Support response as a need is identified.
- Ohio Environmental Protection Agency  
*Planned Actions:*
  - Support response as a need is identified.

### 4 | Firefighting

- State Fire Marshal  
*Actions Taken:*
  - No new missions.
  - No significant updates.  
*Planned Actions:*
  - Will support ESF partners as needed.
  - Will assist Ohio's fire service as needed.
- Ohio Fire Chief's Association  
*Actions Taken:*
  - Continue to monitor the staffing needs survey.
  - No significant changes.  
*Planned Actions:*
  - Will continue to monitor the staffing needs survey.

### 5 | Information & Planning

- State EOC Liaisons
  - There are no deployed liaisons.  
*Planned Actions:*
  - Support County EOCs and continue working with state agency partners as necessary (via deployment or virtual means).

### 6 | Mass Care

- Ohio Emergency Management Agency

*Actions Taken:*

- Ongoing coordination and support of 16 long-term, ongoing missions.
- Distributed an ESF-6 update to partners with relevant guidance, research, news, and updates from an array of sources to facilitate operations moving forward.
- The Adjutant General of the Ohio National Guard provided notification to the Ohio Food Bank Association that August 7 will be the final day of OHNG support for the food bank mission.
  - Focus through that time will be supporting coordination to return operations to full civilian engagement.
- Scheduled a meeting for next week with ESF-7 partners to discuss contracting options for ESF-6-related staffing needs moving forward.

*Planned Actions:*

- Ongoing coordination and mission support.

## 7 | Logistics

- Ohio Emergency Management Agency

*Actions Taken:*

- Informed FEMA V that PPE request is cancelled.
- Entered mission for ONG to provide temporary staff to manage overflow warehouse at Ohio Expo Center.
- Continued working with EMA fiscal to reconcile PPE purchase requests with receipts.
- Continue to work with suppliers on their deliveries.
- Purchased 300,000 N95, which will be delivered this week.
- Worked with ODH warehouse on deliveries.

*Planned Actions:*

- Continue to coordinate overflow warehousing at the Ohio Expo center.
- Continue working with EMA fiscal on PPE purchase reconciliation.
- Work with ODH warehouse on deliveries.

## 8 | Public Health

- Ohio Department of Health
  - Lead Agency for PPE Workgroup
    - Purpose: To determine and allocate appropriate PPE for COVID-19 responders.
  - Lead Agency for Mass Fatality Workgroup
    - Purpose: To assemble stakeholders within mass fatality/fatality management to develop statewide strategies & unified effort in the management of decedents.

WebEOC Incident: 00 – OEMA – 20200128 - COVID -19

- Lead Agency for Medical Surge Workgroup
  - Purpose: Planning for needs to address forecast Medical Surge needs.

*Actions Taken:*

- Zone 1: Several hospitals across the Northeast and Northeast Central region reported a rise in COVID+ admissions over the weekend; the exact source of the increase is yet to be determined.
- Nursing Facility Testing continues in Zone 1 this week with a focus on the Northeast Central Region. Results from last week's testing in the Northeast Region indicate less than a two percent COVID+ rate among facility staff members swabbed.
- Zone 3: New outbreaks continue to be reported, the most significant increase of cases are being reported in Hamilton, Warren, Clark, Montgomery, and Butler counties. The increase in case counts are currently being linked to mass testing at businesses, pop up testing, outbreaks tied to church services/funeral service, and overall community spread. Of note, Hamilton and Clermont counties have seen their largest increase of case counts but the hospitalizations remain steady. (Hamilton saw +150 cases higher than normal).
- During this operational period ESF-8 Desk has initiated two (2) mission requests with State partners.
- There was a training on HHS Protect. HHS Protect is a federal data integration program that houses all of the COVID-19 data that is sent by the hospitals, the Ohio Hospital Association, by the labs, and by the ODH.
  - The training presented how Ohio can see what required data is being submitted and what data is not being submitted. I
  - t also showed how the data is being submitted, through what platform.
- The 19th PPE Push was executed by the RSS Warehouse and our ODOT partners.

*Planned Actions:*

- ESF-8 Partner Touch point.
- FEMA and HHS LNO teleconference.
- Refinement of Cloth Mask Missions.

- Ohio Mental Health and Addiction Services

*Actions Taken:*

- Participating in PPE and Disability rights discussions with ODH and ESF-8 partners.

*Planned Actions:*

- Continue monitoring behavioral health hospitals and community providers for potential COVID infections impacting patients and behavioral health consumers residing in supported housing and in local community.
- Continue monitoring daily infectious cases and increases in COVID positive rates
  - Supporting hospitals in monitoring and testing for infections as indicated in state hospitals

- All staff and patients who previously tested for COVID-19 at Twin Valley Behavioral Health has completed quarantine and isolation.
  - No new positives.
- Continue daily updates in hospital environments of care. Daily assessment with senior staff and provision of timely communications to all OhioMHAS employees on current status of COVID-19 and ODH and Governor updates Community providers in board areas work to provide clear and consistent information regarding COVID and minimize risk of infection through monitoring and collaboration with local health departments.
- Continue working with agency partners to request and distribute PPE to state hospitals and to state agency partners.
  - OhioMHAS monitor hospital use and burn rates to determine need for PPE for patients, staff and visitors.
  - Testing and monitoring of state hospital residents and staff

- Ohio Department of Education

*Planned Actions:*

- Developing Education Reset and Restart Planning Guide and resources for schools and districts.

- Department of Aging and State Long-Term Care Ombudsman

*Actions Taken:*

- Regional ombudsman staff checked on residents moved from McMullen Assisted Care and will maintain awareness until they are able to return home.
- State Ombudsman and regional ombudsman staff participated in a testing-focused call with a nursing home and assisted living facility in Youngstown.
- ODA continues to communicate with stakeholders regarding responsible restart of services.

*Planned Actions:*

- NF Testing Debrief.
- PPE needs discussion.

## 9 | Search & Rescue

- Ohio Department of Natural Resources

*Planned Actions:*

- Support response as a need is identified.

## 10 | Hazardous Materials

- Ohio Environmental Protection Agency

### *Planned Actions:*

- Support response as a need is identified.

## 13 | Law Enforcement

- Ohio State Highway Patrol

### *Actions Taken:*

- Provided security for the Director of the Ohio Department of Health and the Director of the Ohio Department of Job and Family Services.
- Providing site security for the Ohio Department of Health.
- Completed assisting the Ohio Department of Natural Resources in patrolling 15 state parks.

### *Planned Actions:*

- Assistance with handling calls at the Sandusky County EMA Call Center.
- Allen County meal delivery to the elderly and those without transportation.
- Defiance Post units will assist with meal delivery for the PATH Center for the Defiance County Board of Health.
- Providing site security for the Ohio Department of Health.
- Provided security for the Director of the Ohio Department of Health and the Director of the Ohio Department of Job and Family Services.

## 14 | Recovery & Mitigation

- Ohio Emergency Management Agency
  - The FEMA Public Assistance (PA) Program is declared for COVID-19.
    - There are currently 711 applicants, an increase of 6 from June 16.
    - 52 projects have been submitted to FEMA, an increase of 2 from June 16.
    - Obligations remain at \$12.3 million
    -

## 15 | Public Information

### *Actions Taken:*

- Effective today, contact sports can resume scrimmages and full training, following safety protocols.
- June 21 – Ohio map identifying COVID-19 testing sites, by county.
- June 19 – COVID-19 cases increase in children and in southwest Ohio.

### *Planned Actions:*

- Support response as need is identified.

## Other Partners

- Ohio National Guard

### *Actions Taken:*

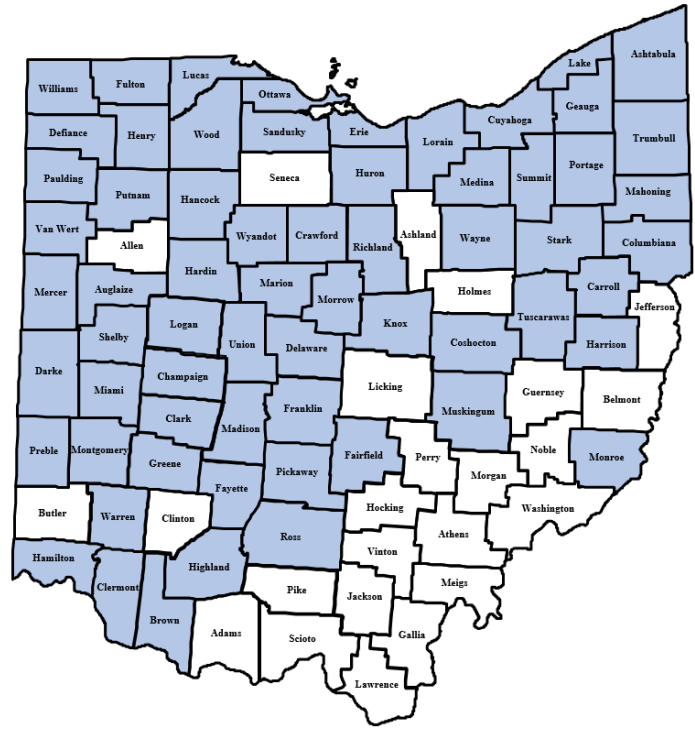

- The ONG tested guardsmen and State Patrol personnel at 8 locations around the state on Saturday.
- 22 locations will have COVID-sample collection operations June 22.
- 493 guardsmen continue to support 14 food bank missions.
- 21 soldiers support the state RSS warehouse.
- Two Guardsmen are working as specialists in ODH labs.
- 187 members are on Specimen Collection teams.
- 853 Ohio National Guardsmen continue to support the COVID-19 response in Ohio..

### *Planned Actions:*

- Steady state operations continue along with planning for increased COVID-sample collection capabilities.

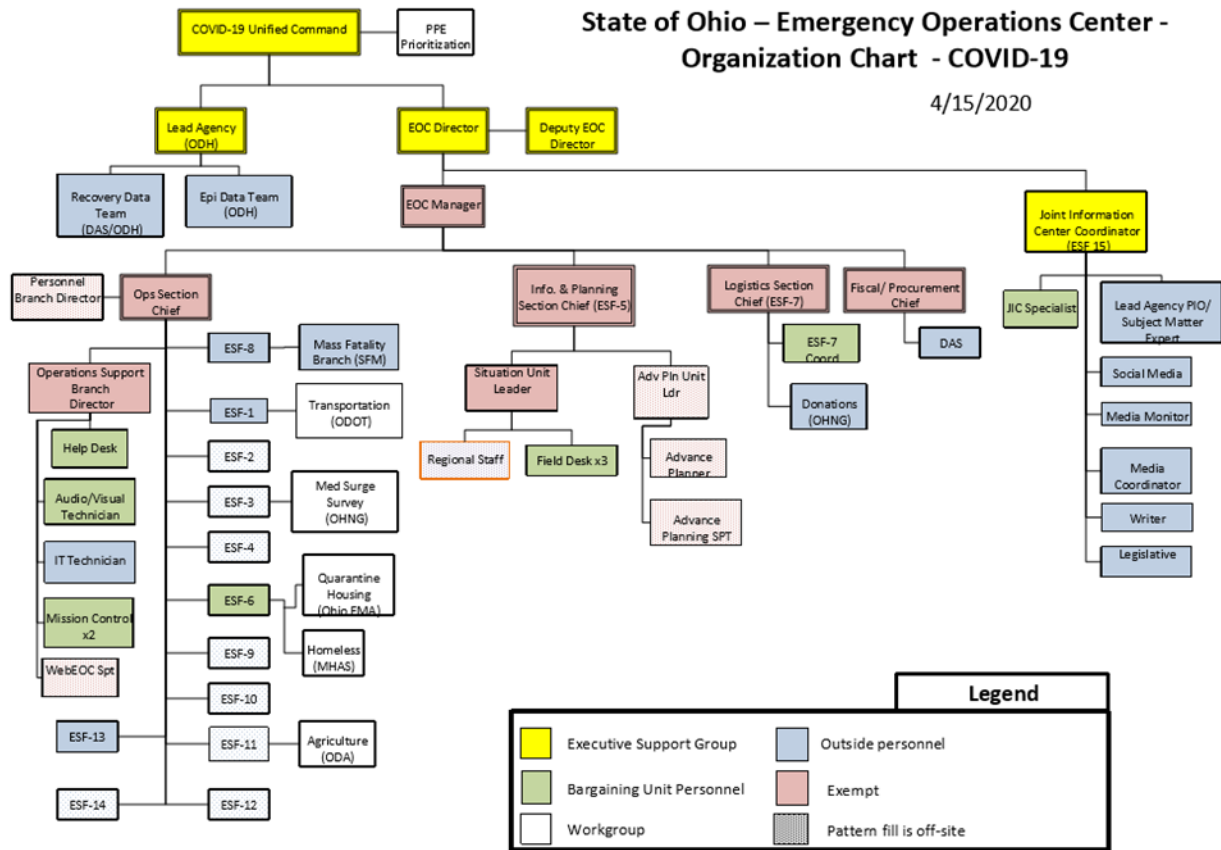

## County EOCs Reporting Adjusted EOC Status for Response
